

RAED AL MASHAL TRADING & CONTRACTING CO. LTD.

شركة رائد المشعل للتجارة والمقاولات المحدودة.

About us

RAED A. AL-ALMASHAL TRADING & CONTRACTING CO. LTD., (RAMTC) is a professionally managed 100% Saudi company having its head office in Riyadh, Saudi Arabia. During Feb 2004, we changed name to Company Limited; however since 2000 we have been active in supplying industrial products, spare-parts, belting systems, lubricating oils/greases. Serving industries consumers, now mainly focusing Oil & Gas, Petro-chemical, Cement, Marble tile, Aluminum, Power, Defense & Aviation sectors.

Over the past few years, RAMTC has been successful in developing good relationships with our elite clientele comprising of large number of small, medium sized companies as well as Corporate-sector including Government and listed companies. This success was achieved due to various factors some of them being – strict focus on company's Vision, Mission & Goals, adherence to delivery commitments, offering competitive pricing, nurturing employee skills and investments in efficient systems & processes.

Over the years RAMTC has grown operationally, financially and in terms of its geographical reach. Today, we are an established name for supply of quality materials and equipments with competitive pricing and shorter delivery timeframes which helps our clients meet project deadlines and thereby derive enormous commercial benefits.

Our Team

We firmly believe our human resource is the most important asset of our company. We have a pool of well experienced as well as energetic young individuals. A common element that binds our efforts is a drive to serve customer requirements in all situations.

Infrastructure

Meeting customer requirements requires us to devise & engage an ever evolving system.

- Showrooms strategically located in heart of industrial area in Riyadh, Jeddah, Dammam
- Warehouse the showrooms and customers are served from a covered dust-free warehouse of 600 sq. Meters which stocks more than 7 to 8 x 40ft FCL of belting products, conveyors, industrial spare parts & specialty lubricants, etc.

Mission Statement

For some companies, mission statements are reserved for annual reports, but RAED AL MASHAL TRADING.CO has infused its culture with the inspirational principles that guide our business operations.

Our Roadmap starts with our mission enduring, it declares our purpose as a company and serves as the standard against which we weigh our actions and decisions.

Vision Statement

Customers for Life and loyalty, listen to them, anticipate their needs and act to create value in their eyes. We want to be known for reliability, flexibility, responsiveness, innovative products and services, Growth, longevity and financial success will naturally follow.

We will make this happen in an enriching environment of trust, cooperation and mutual respect. Attaining our Vision requires superior and continually improving performance in every area and at every level of the organization.

RAED A. AL-ALMASHAL CO. LTD will provide quality systems that meet the project specifications & requirements in the most cost effective manner.

Most importantly, we combine superior components with quality workmanship and a well-engineered systems approach to provide the essential elements of operator control, which are simplicity and expandability.
